

## Celebrate

The Communications campaign launched publicly in March 2021

## Share

### Julian's Story

Identifying and supporting the needs of an individual working to improve health, wellbeing and economic prosperity

Process  
Evaluation  
October 2021

## Explore with others

- Leaving nobody behind
- The value of skills, services and materials
- Investment models and distribution of leadership
- Leading a complete approach: negotiating a tension between momentum and speed

## What we are doing next

- Over the next 12 months Doncaster Future Parks will become visible, engaging with communities around parks and open spaces
  - GDM strategy refresh
