# Town Field Community Group

Town Field Community Group is a group of likeminded residents who are dedicated to the improvement of this fantastic green space at the heart of our city centre.

## Our aims are:

- To **preserve the integrity** of the **area known as Town Field**
- To **promote Town Field as an active environment, develop positive actions to benefit our community** and Town Field
- To **bring together and foster understanding** amongst people from our **diverse community**
- To **work in collaboration** with **City of Doncaster Council**.

There are lots of opportunities to get involved with the work of the group. If you would like to know more, please get in touch:
